PRINCIPLES

We hold as a sacred principle, that professional public school employees shall set a good example as faithful public servants, performing their duties to the public with honor to themselves, to the school system, and to their organization. We hold a liberal education for all people to be a preeminent goal for the common good. To achieve this goal, we have resolved to encourage and to stimulate our members to take an active interest in the civic affairs of their country and the District of Columbia, in order that they can work and vote intelligently and effectively for this goal.

CONTRACT UPDATE

The CSO Contract has been approved and is being implemented October 2019. All members should see a pay increase of 3%. The retro-pay for the past two years is in process and we anticipate members not receiving payment before October. CSO does not process retro-pay and therefore we do not know exactly when the back pay will be received. As we get information, we will keep members updated.
