

Contract Update

CSO MEMBERS

- The recent increase on your check is the HR office placing CSO employees on their 2018-19 negotiated salaries. This should represent a 5% increase from your past salary.
- Beginning October 2019 you should see another increase in the amount of 3%. This salary increase will represent your 2019-20 salary.
- CSO anticipates that you will be receiving your “retro pay” for SY 17-18 and SY 18-19 in late November or December. This pay will not be calculated until after the implementation of the SY 19-20 salaries. As we work with DC government and DCPS, they are assuring us this pay will be processed but until all processes are completed, can't give us a specific date. We will be monitoring closely and will keep you updated.
- CSO anticipates the printed and PDF versions of the contract will be issued in late October and/or early November.
- The Legal Services Benefit with the Robert Ades and Associates firm will be active October 1, 2019 and they can be contacted at 202-452-8080
- Please select the professional organization you would like basic membership and send your completed form to Barbara Childs - bchilds@councilofschoolofficers.org. You can download a copy of the Professional Dues Basic Membership Form from our website, www.councilofschoolofficers.org - What We Do - Resources page.
- All CSO members have been granted two “Perdy Days” which can be utilized as you need them, with approval from your supervisor. Please plan to utilize these days during the school year inasmuch as they do not carry form one school year to another.
